

Terms and Conditions

Please read these terms and conditions carefully before registering for Flight Delay Pass.

1. Parties to Flight Delay Pass

Mastercard Flight Delay Pass ("Flight Delay Pass") is provided on behalf of Mastercard by Collinson Insurance Services Limited and its affiliates ("we/us/our" throughout these Terms). By accepting these Terms, you agree that you are legally capable of entering into a binding contract and you are at least 18 years old. You also agree with our privacy policy found [here](#).

2. Eligibility

Flight Delay Pass is provided to Customers with eligible cards issued in Europe. Each Customer enjoys unlimited registrations per eligible card per annum.

To access this service, register your flight/s on the Flight Delay Pass program website provided by your Issuing bank. You can register at any time once a flight has been scheduled (typically up to 364 days in advance) and at least 6 hours prior to the flight's scheduled departure time.

Flight Delay Pass is provided at our discretion and only selected scheduled commercial flights are eligible for registration. Charter flights are not eligible for registration. Each leg of a multi-leg journey requires its own, separate, flight registration, unless all legs of the journey share the same flight number.

3. How to use Flight Delay Pass

You will become eligible for Flight Delay Pass if you register your flight at least 6 hours prior to the scheduled departure time at the Flight Delay Pass program website provided by your Issuing Bank. We reserve the right not to provide Flight Delay Pass if you fail to accurately register your details or the details of your travel companion/s.

You can register any flight from an airport where a LoungeKey™ lounge is available, and if the airline accurately reports the delay to our flight tracking system. If you try to register a flight that does not meet these conditions, the system will inform you of this and you will not be able to register.

A flight registration cannot be amended after a registration has been submitted. You will have to cancel your existing registration and re-register with the new details. Cancellation and registration after the flight's actual departure will not be allowed.

The departure of your flight will be monitored by our flight tracking system. Subject to

successful prior registration and lounge availability, Flight Delay Pass will provide you and your registered travel companion/s (if applicable) with airport lounge access via LoungeKey™ in the event that our flight tracking system identifies that your flight is delayed by more than 120 minutes (the "Delay Threshold"). You will receive an SMS to notify you of the lounge pass/es you would be receiving, following which the lounge pass/es will be sent to your registered email address. Access to either your SMS or the email account you provided at registration and the ability to display your lounge access email is a condition of use of the Flight Delay Pass.

A delay which matches or exceeds the Delay Threshold can be announced as one single period of delay or as a consequence of multiple incremental shorter delays.

We and you will rely solely on our flight tracking system to determine if you have become eligible for airport lounge access. You accept that we do not warrant the accuracy of the flight tracking system and you will not rely on it to track your flight departure time.

The airport lounge access will be provided to you and your registered travel companion/s (if applicable) on the same day (within a 24 hour period) of your flight travel. Flights that are cancelled or rescheduled for the next day (24 hours after the flight's scheduled departure time) will not be deemed as delayed and will be handled by the airline directly via their own compensation process.

Only the named individual including travel companion/s (if applicable) in the Flight Delay Pass email confirmation will be eligible to airport lounge access. Subject to Conditions of Use, Customers who have a valid and otherwise unexpired LoungeKey Pass/es shall be granted access to the Lounge.

Lounge access shall be processed using visual authentication. Each Customer who wishes to enter a Lounge must show their valid pass, a valid boarding pass and personal identification. Upon entry to the Lounge, Lounge shall verify that boarding pass and personal identification match the LoungeKey Pass.

Flight Delay Pass is provided to you and your travel companion/s (if applicable) on a non-transferable, non-refundable and non-changeable basis. LoungeKey Pass/es issued are valid for one single use within the three months from issue at any Lounge where LoungeKey Passes can be used. Mastercard shall not provide any credit for LoungeKey Pass/es not utilized.

By accessing the airport lounge, you and your travel companion/s (if applicable) agree to abide by the rules and policies of the lounge. The terms and conditions for lounge access can

be found here: <https://loungefinder.loungekey.com/pass/conditionsofuse>

You and your travel companion/s (if applicable) acknowledge that additional dining options and business or conference facilities available to lounge guests may be subject to additional charges. You and your travel companion/s (if applicable) will remain solely liable for such charges. We will not be held liable for such charges howsoever rising.

For the avoidance of doubt, we shall not be liable to reimburse you for any out of pocket costs or expenses or lounge access costs incurred by you at the airport should you choose to access the lounge at your own cost.

- any other matter for which it would be illegal for us to exclude or attempt to exclude our liability.

Where you use the services of any participating airport lounge, any losses or liability arising out of, or in connection with using such lounge shall be the liability of the participating lounge. We will not participate in any dispute between you and any participating lounge.

We do not give any warranty for any goods services accessed through the participating lounges.

You agree that you will defend and indemnify Mastercard, Collinson Group Limited and its affiliates and our companies, directors, officers, employees and agents (collectively 'the indemnified parties') against and hold each indemnified party harmless from all liabilities, damages, losses, claims, suits, judgments, costs and expenses (including reasonable legal fees) for injury to or death of any person or damage to or destruction of any property arising out of the use of Flight Delay Pass by you, except that such indemnification shall not extend to acts of gross negligence or wilful misconduct by the indemnified parties.

This contract is between you and us. No other person shall have any rights to enforce any of its terms.

Each of the paragraphs of these Terms operates separately. If any court or relevant authority decides that any of them are unlawful, the remaining paragraphs will remain in full force and effect.

If we fail to insist that you perform any of your obligations under these Terms, or if we do not enforce our rights against you, or if we delay in doing so, that will not mean that we have waived our rights against you and will not mean that you do not have to comply with those obligations. If we do waive a default by you, we will only do so in writing, and that will not mean that we will automatically waive any later default by you.

These terms are governed by English law. You and we both agree to submit to the exclusive jurisdiction of the English courts.
